Using gift aid means that for every pound you donate, the charity can get an extra 28p from HM Revenue & Customs. Just imagine the difference this could make, and it doesn't cost you a thing.

I confirm that I am a U.K taxpayer and pay an amount of income or capital gains tax at least equal to the tax the charity will reclaim on my donation in the tax year. I confirm that I would like all donations I have made during the 6 years prior to the date below and all donations I may make in the future to be Gift Aid donations, until I notify you otherwise.
